Tactical switches pay off

Vigo are up to fifth in Kent 1 after coming from behind to beat Sittingbourne 14-3 on Saturday.

The home side lacked any urgency in the first half and Bourne put plenty of pressure on their scrum, before taking the lead from a penalty.

made Vigo positional changes at the break and they looked like a different side after $the\ restart.$

Dave Winstone made a sharp break and offloaded to Luke Vint, who in turn fed Pat Norton to score under the posts for the Villagers. Winstone kicked conversion.

Sittingbourne tried to get back into the game but they were undone when teenage winger Liam Byrne-Stevens intercepted a pass and ran the length of the field to score a second try which Winstone converted.

A late penalty from Michele Zanirato earned Gravesend a priceless 12-10 win over Sidcup to ensure they kept up the pressure on London 1 South leaders Chichester.

Zanirato had given the Gs a 6-0 lead in front of almost 300 supporters at Rectory Field by slotting two early penalties.

But a game between the division's two meanest defences proved predictably tight and the only other score before half-time was a Sidcup penalty.

Matty Bressons saw his cross-field kick run loose the second half and the visitors capitalised by scoring a converted try.

Zanirato kicked his third $penalty\,to\,reduce\,the\,arrears$ to a single point, although Sidcup still looked set to complete the league double over their local rivals.

But Gravesend plugging away and, with time almost up, Zanirato held his nerve to score a penalty from 40 metres out, wide on the left.

The Gs, who visit Staines this weekend, are two points behind Chichester with a game in hand.

Dartfordians to another of the title challengers in London 3 South East when they went down 39-17 at home to Thanet Wanderers.

Beaten 21-10 by Ashford the previous week, Darts were 24-3 down at half-time with just a solitary penalty to their name.

Sam Allen scored two tries in the second half, which were both converted, but Thanet's superiority was clear as they closed out a comfortable win.

Dartfordians, who lie sixth, host Finchley in the RFU Senior Vase on Saturday.

Meanwhile, Old Gravesendians lost 29-8 at Cranbrook in Kent 1. It was the first of two meetings between the clubs in the space of a week, with the Old Gs making the same journey for a Junior Vase fourthround tie on Saturday.

Kent 2, Dartford Valley lost 49-15 at home to Bexley and New Ash Green went down 10-7 against Lordswood.

High tides bad news for sprats

The legacy of having the Thames Barrier continually closed for nearly a week due to the recent high tides is the colossal amount of floodwater joining forces with the tidal Thames.

Fresh water sits on top of salt water, taking weeks to integrate, with one real bonus being in breaking up the sprat shoals as they live and feed near the surface. This has allowed codling and whiting to stay inshore for food in range of anglers.

Shore-caught codling are in the 2-3lb range, with worms and squid top baits. The small pin whiting are still around the whole coast, but these should come back late September and be close to sizeable.

Good news for Medway anglers was the re-opening of Gillingham

pier after a wall collapsed recently. Medway Charter fleet have been finding the odd codling to 5lb, along with dabs and whiting to 2lb.

The Lady Anne, now in private hands, found eight codling to 4lb and an early thornback of 12lb. A private boat reported three codling from just off Sheerness proving you don't have to travel miles to get the cod.

NEAR MISS: Just three points separated New Ash Green. areen and black, and Lordswood in Kent 2
