Valentine's Day

Love is in the air at bistro

ADVERTISEMENT FEATURE

ROMANCE will be in the air soon at Bistro Oregano which is dedicating two days to this year's Valentine celebrations.

A truly wonderfully romantic evening menu has been created and is available on Saturday, February 13, with the added attraction of a delicious lunch on the big day, Sunday, February 14.

Last year, a couple became engaged while dining at the bistro in St George's Passage and the man who proposed was so confident of his answer that he booked a bottle of bubbly in advance to celebrate.

Owner of the business Karen Colyer said: "We are all hoping for another special evening and who knows, someone else might pop the question?"

Bistro Oregano has an extremely romantic table that is on a landing all of its own, very secluded and perfect for Valentine's Day

with a complimentary glass of sparkling wine and a red rose for every couple.

Karen added, "We are celebrating St Valentine's Day on Saturday evening and also having a Valentine's Day Sunday lunch, to make our very popular Sunday lunch extra special.

"Our evening and Sunday lunch menus change each month and we automatically send them to all of our Diners Club members along with our regular newsletter which is full of interesting snippets and forthcoming events at Oregano and Deal.

"To view all of our menus

including our Valentine menu you can find all the details on the website www.bistrooregano.co.uk where bookings can also be made.

"Of course, if after Valentine's Day you have a wedding to plan, Bistro Oregano also has a very successful outside catering team!"

If you would like to join Bistro Oregano's Dining Club pop in and pick up an application form today, there is absolutely no charge to become a member.

Bistro Oregano has wi-fi connection for customer use and a room perfect for a small meeting.
